These numbers must be checked by the Show Operators against the animals presented before the animals are allowed entry to the Show.

 - The total number of sheep being moved into the Show must still be entered on the SG2.
- The ear tag numbers will be read electronically on entry to the Show and a list of tag numbers will be given to the exhibitor.
 - The exhibitor must complete and sign a declaration stating that the sheep will be returned to their flock of origin directly from the Show premises.
- The Show must send the declarations to the local DAERA Direct Office for the Show at the latest by the next working day.
